

QUT ePrints and Academic Profiles

Linking your Academic Profile to your personal eprints page

Go to your Academic Profile: <https://staff.qut.edu.au/>.
Log in and select 'Edit my profile'.

Select the 'Publications' tab

Enter the URL for your personal eprints page:
https://eprints.qut.edu.au/view/person/Callan,_Paula.html

Click on the 'Update your publications information' button.

Selecting the 10 publications to be highlighted on your Academic Profile page.

Go to RAD: <https://rad.qut.edu.au/>
Scroll down until you can see the 'Staff Profile' box (on left-hand of screen) then select the 'Research outputs' option.

In the 'Outputs Selection' section, select the 10 item you want displayed on your Academic Profile page via the check boxes then click 'Next'.

Order	Output Type	Research Output
1	Journal Article [C3]	Callan PA, Bradbury SJ, Brown S, Broadley PR, Nelms E, Hart C, [2014] Open Access and Research Conference 2013: Discovery, Im
2	Journal Article [C1]	Cochrane TG, Callan PA, [2007] Making a Difference: Implementing the Eprints Mandate at QUT. OCLC Systems and Services: internati
3	Conference Paper [E5]	Callan PA, Croft WM, [2003] Implementing an Applied Skills and Scholarship Unit as a Means of Developing Generic Skills, The 7th Paci

Clear Clear all research outputs currently displayed on Staff Profiles.

Select Research Outputs for Displaying on Staff Profiles

Step 1 - Select Research Outputs [10 max]

(i) Research outputs are ordered by year published DESC, category code, and output title.

(ii) To select a research output, tick the corresponding checkbox in the "Select" column.

(iii) To proceed to the next step, click on the "Next" button at the bottom of the page.

Select	Output Type	Research Output
<input checked="" type="checkbox"/>	Journal Article [C3]	Callan PA, Bradbury SJ, Brown S, Broadley PR, Nelms E, Hart C, [2014] Open Access and Research Conference 2013: Discovery, Im
<input checked="" type="checkbox"/>	Journal Article [C1]	Cochrane TG, Callan PA, [2007] Making a Difference: Implementing the Eprints Mandate at QUT. OCLC Systems and Services: internati
<input checked="" type="checkbox"/>	Conference Paper [E5]	Callan PA, Croft WM, [2003] Implementing an Applied Skills and Scholarship Unit as a Means of Developing Generic Skills, The 7th Paci

Next Proceed to Step 2 - Preview & Order Selected Research Outputs

You will be shown the order in which they will appear. You can change the order by changing the number in the box at the beginning of each row. When you are happy with the order, click on the Display button.

The selected publications will now appear on the publications tab in your Academic Profile and, below the publication list, there will be note which says:

For more publications by this staff member, visit [QUT ePrints](#), the University's research repository.
